

APPEARANCE

STAR N

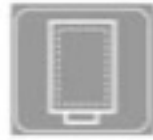

FEATURES

ELCB safety device

High precision TBST thermostat

Enameled steel tested at 16 bar

Water proof protection

Temperature regulation

High precision thermostat

High density insulation

High density polyurethane insulation

Exclusive Enameled tank

Magnesium anode

Pressure safety valve

Inspection flange

Pilot lamp

High efficiency inlet pipe

low consumption
high performance

- ELCB safety device
- High Precision TBST Thermostat
- Exclusive Enameled tank protection
- Worry-free TSS Total Safety System
- Low power range for minimum consumption
- External temperature regulation
- In-house built heating element
- Large anticorrosion magnesium anode
- High efficiency insulation material
- Easy installation and maintenance
